

A.G. SECURE PROPERTY MANAGEMENT INC.

DIVISIONS IN TOTTENHAM, BARRIE, HAMILTON AND COLLINGWOOD

Who we are?

A.G. Secure Property Management Inc.

manages over 600 rental units, with offices in both Tottenham and Barrie, and local representation for Hamilton, Collingwood and surrounding area. We provide property management service to landlords for their long term residential tenants.

We are changing the way that Property Management is done in Ontario, by focusing on reducing real costs and stress that Landlords have to deal with, while at the same time increasing the income potential of our clients.

We are accountable to our landlords:

- We never charge to re-rent a unit once we have placed a tenant. Our goal is to keep the unit occupied with good tenants, so you are generating income.
- We only get paid when our landlord(s) get paid.
 - If a tenant has not paid their rent, then our job is not done. We only get paid when the rent is collected for our landlord(s).
 - When a unit is vacant, a landlord is not generating income, so we do not charge our management fee during this time.

Our aim is to keep costs in check.

- Our management fee percentage drops when a landlord's portfolio increases in size and rent money collected.
- All maintenance work is done at cost with no upcharge on your bill.
- Our size gives us negotiating power with vendors and contractors.
